## B&S' VALUE BRAND

# More than 100 products

GoodBurry represents reliability, professionalism and **good quality** at a **fair price**. Only products meeting our high quality standards are selected for the GoodBurry brand.

The GoodBurry assortment contains **more than 100 different products**. This allows us to be a **single source** supplier for ingredients of any meal or any food moment. Years of experience have shown us that our clients have different needs. In order to meet their specific needs, the majority of GoodBurry products are available in both **consumer and catering sizes**.

All GoodBurry products contain nutritional and product information in five different languages; English, Portuguese, French, Spanish and Arabic.

The GoodBurry assortment includes:

- Canned food (fruit, vegetables, fish, meat)
- Dairy products
- Breakfast products
- Sauces
- Miscellaneous (Egg noodles and tea.)

*This brochure provides an overview of the main categories within the GoodBurry assortment, highlighting a small selection of what's available. If you have any questions relating to our complete assortment, please contact us directly.*
